December 4th, 2025 – Monthly Board Meeting

Location: Meeting was held on December 6th, 2025, at the Warren Road Community Center.

Call to Order: at 6:30pm (Trey) 1st motion and (Wes) 2nd motion

Members in attendance: David Zange, Wes Hopkins, Trey Keenan, Melvin La Pan, Ron Harden.

Residents Questions: Questions about the street light charge that was placed on all property taxes by the City of Augusta for $45.00 (a year). try to get the ordinance changed. The rates of the city light charge come from the Millage Rate.

From the Board: This city charge is separate from our GA power light bill charges that Montclair HOA is responsible for month by month. Our HOA attorney, HOA President and Treasurer met with the City of Augusta attorneys, and we have several options, but we are going to pursue a change in city ordinance that was changed back in August 2025. This will require our city commissioner, attorneys and residents to push and try to get the ordinance changed. The rates of the city light charge come from the Millage Rate. Most homeowners in the Augusta area is $95.00 per year and the hill area pays $10.00 per year.
