- Secretary – Melanie Meadors

We are looking forward to 2022 and the opportunities to serve our neighborhood.

Invoices for the 2022 HOA Assessments were mailed at the first of the year. If you did not receive your invoice, please contact Catherine Przybysz at montclairbookkeeper@gmail.com. Assessments are $220.00. If paid by January 31st, you can take a $10.00 discount. Assessments are due by April 15, 2022. A late fee of $30.00 will be added to any invoices not paid by April 15, 2022.

Those who have past due assessments will receive an additional statement detailing the amounts past due. If you have any questions regarding you account please contact Catherine Przybysz at montclairbookkeeper@gmail.com.

What do the HOA Assessments pay for?

The largest expense paid by the HOA assessments is streetlights. The HOA also owns the two parks and a small walkway on Gardner Mill leading to the school. Assessments pay for the landscaping, insurance, repairs and property taxes of these common areas. Additionally, assessments pay for HOA Operation as well as the newsletter, postage and other administrative needs.

Gardening IN MONTCLAIR

with Suzanne Thomas, Master Gardener

January is the month for a good cleanup! Remember: you are responsible for cleaning your sidewalks, curbs, and gutters at least weekly for the health and safety of all in our neighborhood. If you are a homeowner who has leased your Montclair property, and if your tenant does not properly maintain your property, you are still responsible.

Let's all be sure to clean up at least weekly. If your neighbor is unable to do so, offer to help them. This is important for everyone in Montclair.

Be sure that yard care persons do not litter. Do not allow them to blow yard waste and debris into the streets. That is litter.

When you go out to walk, carry an extra bag with you to pick up trash litter. Sometimes we have people driving through the neighborhood who do not have good manners and we have to clean up their mess as well.

When you pick up dog waste, carry the bag home to your garbage can. Do not place any waste down the drains. What does down the drain goes directly into our drinking water supply.

Think about it! Let's be good neighbors and protect our wonderful Montclair neighborhood.

During the winter months it is especially important to check on your neighbors. Call, visit, or email to be sure they are okay. Lately, there have been stories of people who died and were not discovered for months. Let's not have that happen in Montclair. This is a neighborhood, a community of neighbors and friends who help one another.

Montclair Neighborhood on Facebook (FB) is a great way to keep up with what is happening in our neighborhood. But we still need to be in touch the old fashioned way. Not everyone uses Facebook.

If your block does not have Neighborhood Watch this is a good time to begin. Walk around your court or block of the neighborhood with a notebook. Knock on every door and invite people to participate. Usually, neighbors exchange contact information and auto license numbers. If you are going away for a long weekend, let someone in your neighborhood know so they can keep an eye on your property. The great thing about Neighborhood Watch is that you can invite everyone in the group to a potluck dinner or an outside marshmallow toasting. That is how neighborhoods become stronger, and neighbors take care of one another, become friends, and prevent accidents and crime.

Let's grow stronger together this month.

welcome

Help us welcome new neighbors!

If you notice a new neighbor, please let us know so we can welcome them to Montclair. This also helps keep our records straight. It is very helpful to let us know if you are selling your house so we can get you the proper documents for disclosure and closing. Email the bookkeeper at montclairbookkeeper@gmail.com or contact one of the board members. We want everyone to feel welcome and informed!
