Monthly News & Events from your Neighborhood Home Owners Association — November 2022

President's Message

I hope you all had or will have a wonderful Thanksgiving this year. Here is what is happening for the end of the month and for December.

You should have received your **Official Montclair Homeowner's Association Board of Governors 2023 Ballot** mid-November in the mail. This year our candidates have a little bio about themselves. I hope you enjoy reading the bios and hopefully that helps you learn a little more about each candidate. There are 3 ways to submit your ballot, by mail (postmarked by 12/6), scan and email to montclairhoa17@gmail.com (email by 6:00 p.m. on 12/12/2022), or by bringing it to our annual meeting on 12/12 at 6.30pm at the Warren Road Community Center. We would love for you to attend the meeting to congratulate the newly elected Board of Governors for 2023.

As we move into December, I hope you and your family can spend time together and enjoy your family traditions this Holiday Season.

Merry Christmas,

Greg

Golf Cart Christmas Parade

December 11th at 3 pm beginning at the Winding Wood Park. If you want to participate in the parade please meet at the park at 2:30 pm.

MONTCLAIR BOARD ELECTIONS

You may cast your ballot for any and/or all of the nominated candidates – or – write in a self-nomination and submit your ballot by December 12, 2022.

You may submit your ballot by:

1) Return the completed ballot by mail to P.O. Box 204015, Augusta GA 30917. Must be postmarked by 12/6/2022.
2) Attend the annual meeting of the Montclair HOA on Dec. 12, 2022 at the Warren Road Community Center - 6:30 pm and cast your ballot in person.
3) Complete, scan and email your ballot to the Montclair HOA official email address at montclairhoa17@gmail.com. Must be received before 6:00 p.m. on 12/12/2022.

Gardening IN MONTCLAIR

with Suzanne Thomas, Master Gardener

December in Montclair means beautiful decorations, holiday celebrations, and a time for families to be together. December is a great month for walking, jogging and outdoor sports such as pickleball. Most days are mild, sunny, and perfect for being outdoors. Exercise that raises your heart rate and brings about deep cleansing breaths is as good as medicine!

We live inside our homes and rarely see one another through the winter months, but there are signs that let us know someone might need help. If your neighbor hasn't come outside for two days, knock on the door and ask how they are doing. If waste containers are still at the curb Saturday night, pull them up and check the house; call and knock. Especially during the colder winter months we need to keep an eye out for our neighbors. Let neighbors know in advance if you will be gone for a period of time.

In winter we can continue to grow vegetables if we desire: peas, spinach, lettuce, and root vegetables including radishes, onions, garlic, rutabagas, potatoes, carrots, and kohlrabi—to name a few. Look at seed packages to be sure you are buying seeds and bulbs that are not genetically modified.

When you are shopping for produce, look for sources of foods that are *locally grown, not genetically modified* (non-gmo) and *organically grown*. Those are the three criteria for excellent foods. Certified organically grown food is required to be non-gmo. Locally grown organic foods are available in the Augusta area through Augusta Locally Grown, in grocery stores, and through farmers' markets. Ask the produce manager where you shop about the sources of the foods you buy.

Working with our neighbors is important all year long, but in December some especially important opportunities come along. Prune back overhanging trees and shrubs from fences. Share the job of pulling out unwanted vines and weeds that grow along fence lines—English ivy, honeysuckle, and smilax--to name a few.

Trees are a blessing. This is the month to plant bare-root trees. If your yard lost trees during this past year, now is a good time to plant new trees. If you choose to plant a full size tree, such as an oak, maple, hickory or yellow poplar, here are some thoughts about placement. **Call 811 before you plant anything.** They will mark your water, gas, sewer, and underground French drain lines. Go back about 25 feet from the foundation of your home, and 25 feet from overhead power lines. Avoid marked lines. Use garden hoses to mark off the distances. Choose the very best site where you and your family can enjoy a truly majestic tree for the next hundred years.

If you prefer, there are small trees that will offer all the benefits of trees—shade, beauty, oxygen, and removing air pollution—but they won't fall on your house.

1. DO Plant: Chinese fringe tree, star magnolia, Japanese maple, lilac, ornamental cherry, crepe myrtle, and redbud.

2. AVOID: wisteria, cherry laurel, Bradford pear, bamboo, mimosa, or sweetgum. These are invasive trees that will overrun your landscape.

Enjoy this wonderful month in which we celebrate hope and joy.

LOCAL EVENTS

Would you like to share any upcoming community events with our neighborhood? We are happy to include the information in our Montclarion!

Please send information to
montclairhoa17@gmail.com

We raised $463 not including all the food donated! Thanks all for your support.

Scott Family Farm is excited to create the holiday magic for you and your family with an opportunity to shop more than 100 vetted, local artisans to find that unique piece of art or craft item - including locally grown produce and a food truck court! Santa will be visiting from 10 am to 2 pm. Photograph reservations are strongly encouraged to ensure your little one has a chance to share his or her wish list with Santa himself!

Happy Thanksgiving
