Monthly News & Events from your Neighborhood Home Owners Association — January 2023

President's Message

Hi neighbors!

I hope everyone had a great holiday season and a good time bringing in the new year! Wow, how the years are flying by! Seems like yesterday that I was riding my bike around the neighborhood and going to Warren Road School! Now, here I am with my wife that I have been with since high school (Westside!).

We are practically empty nesters and finishing the renovations on my childhood home across from the pool. Just...WOW!

Last year saw a multitude of much needed maintenance and updating to our neighborhood parks, the pool and the courts.

I am looking forward to another great year in Montclair. In 2023 we will finish the maintenance projects that have been started and start planning for new improvements for our beautiful community.

I am excited to be part of this team to maintain and improve the ever changing and growing Montclair without losing sight of the spirit of our creation and at the same time bringing us into the future!

Welcome to 2023!!!

David

APRIL 10 • AUGUST 14 • DECEMBER 11

PAST DUE HOA FEES

Invoices for past due HOA Fees have been mailed. Please make arrangements to pay your past due HOA fees as the board is committed to collecting ALL HOA FEES.

Gardening IN MONTCLAIR

with Suzanne Thomas, Master Gardener

February in Montclair is a time for making some important decisions. Plant a spring and summer garden? Plant new shrubs? Re-do sections of the lawn? You could use this month to design and begin an outdoor garden room. Pick a location where you might like to sit outside in your pajamas (and a blanket!) and drink coffee or tea, in other words, a semi-private place. You could enclose the space with lattice mounted on posts or fencing material. You could even design a gazebo as a place to spend quiet times. Choose a place that is away from streetside traffic activity and noise, and where you can still see your back door as needed. Or you might want to set up a putting green with special grass where no dog or bicycle shall go. This is a time for some imaginative planning.

If you have not done so already, *please do a final leaf cleanup*. Let's get ready for the new growing season with cleared sidewalks, curbs, gutters, and lawns. It is your duty—homeowners and tenants alike—to keep these areas free of leaves, straw, trash, and debris at all times. So, please keep these areas clean and clear. We enjoy having a safe neighborhood where we can walk, ride bikes, and take the babies for a stroller trip to the park. Let's keep it clean and safe for all.

Late January and February are excellent months for roses. There are so many beautiful varieties that grow well in Augusta. Look for local sources either in the garden stores or the nurseries. If you shop online for roses know that they will be sent to you bare-root and that they must be planted immediately. Prepare a sunny, well-drained site for a new rose plant with soil high in organic matter. There are special fertilizers for roses that help to prevent blackspot (fungus) disease.

Any new shrub, tree, or lawn amendment will need to be watered daily for about two weeks, then twice a week, then weekly through the growing season. Water so that plants have enough to wet their roots, but not so much that they are standing in a bog. Stick your fingers into their rooting area to check how much is enough.

In late February, plan to turn your garden. First, check the soil. Take a quart sized bag of soil and a check for $8 to the Extension Office and let them help you send it to UGA for analysis. Within a short period, you will receive an email with a soil condition report. Use that as a guide for what to add to your garden as you turn the soil. Tilling disturbs the soil food network. By tilling in February, you give the soil time to re-establish that network by the time you are ready to plant the garden.

When we have weather in the 20's and below, be sure to water your trees and shrubs so they can survive the extreme cold. Remember to wrap your pipes. And look out for your neighbors in this winter time.

Spring is coming!

LOCAL EVENTS

Would you like to share any upcoming community events with our neighborhood? We are happy to include the information in our Montclarion!

Please send information to: montclairhoa17@gmail.com

welcome

NEW NEIGHBORS

Help us welcome new neighbors!

If you notice a new neighbor, please let us know so we can welcome them to Montclair. This also helps keep our records straight. It is very helpful to let us know if you are selling your house so we can get you the proper documents for disclosure and closing. Email the bookkeeper at montclairbookkeeper@gmail.com or contact one of the board members. We want everyone to feel welcome and informed!

SECURE MAILBOX

Just a reminder, if you have a package or a check that you want to mail and would like to make doubly sure of it's security while waiting to be picked up, there is a USPS Mailbox located in front of Goodwill that is secure and picked up daily.

What do the HOA Assessments pay for?

The largest expense paid by the HOA assessments is streetlights. The HOA also owns the two parks and a small walkway on Gardner Mill leading to the school. Assessments pay for the landscaping, insurance, repairs and property taxes of these common areas. Additionally, assessments pay for HOA Operation as well as the newsletter, postage and other administrative needs.
