President's Message

Hi neighbors!

The year is getting into full swing! The pool/park clean-up day was a success. The hedge row on the right side got some much-needed attention. We laid some more crush and run at both parks. We are replacing some of the boards on the back deck for this season and will investigate resurfacing for next season. We are getting the concession stand cleaned up and ready. We have been working on the electrical and getting some of the pool lights fixed and are working. We have started augmenting the pool water with the well and are planning for permanent piping to pump house and level control. The pool is looking great, and we passed our inspection with flying colors thanks to all the hard work of our CPO Tommy Jackson.

Our food truck Fridays have been a great success, please look for dates in the newsletter and come join in the fun and great food at the Crane Ferry Park. Replacement poles for the courts have been purchased and we are making plans to have the damaged ones replaced soon. Court memberships are available – come join in the fun!

Please remember to bring your yearly dues up to date! All are due now if you have not submitted them. You can pay them online at **www.montclairhoa.org** or send in a check!

Pool memberships are also available to be paid online, and we are looking forward to another great pool season. As always, look in the **Montclarion** for important dates and or activities.

Also, please remember to take care of your yards! If you are having a hard time, we can get some names of young people that need grass cutting jobs for extra money! Our yards are a reflection of our community – please help keep it beautiful!

I would like to give a shout out to Anne Rheins. Anne has been on the board for several years and is very active not only in the meetings and community projects to make our community better but also organizes the Pickle Ball league and food truck Fridays. Her tireless work with Pickle Ball has made Montclair the "Gold Standard" that all the other facilities are striving to be. Thank you!

The weather is warming up and the pool is opening – let's go swimming!

Gardening IN MONTCLAIR

with Suzanne Thomas, Master Gardener

June in Montclair is primo! Best time of the year for gardeners.

Think of your yard as a beautiful garden. Make a place where you can sit in the shade and just enjoy being outside. Gardeners talk about having a garden room, a kind of defined space where there are certain trees or shrubs, or perhaps where you have dug a flower bed that is surrounded by lawn. A tree island can serve as a garden room. You can create a garden room using a piece of lattice mounted on posts to screen off an area. If your house has a screened back porch you have a perfect place to sit outside in the morning or evening when the weather is nice. Have dinner, have friends visit, read or write or knit—whatever. It is a gift to be close to the beauty that is yours to enjoy. A garden is a place to work, to plant, to produce vegetables and fruits, to grow flowers and shrubs. But above all, it is a place to experience the gratitude we have for living in this garden we call Montclair, Augusta, Georgia, USA. This month be sure to: trim azaleas; put out fire ant control; fertilize lawns and shrubs if you didn't do it in May. If you are in the market for new lawn equipment, please buy electronic equipment. We need to gradually stop using gasoline powered equipment. If you have planted a new tree this year, congratulations! You are helping us all to have cleaner air and protecting planet earth. Thanks for all you do.

To All,

The Montclair Board of Governor's would like to pass on our thanks and appreciation to Suzanne Dixson Thomas, our "Gardening in Montclair" columnist. Suzanne has done a wonderful job contributing her gardening knowledge and experience to the Montclair Newsletter, since 2011. This month, Suzanne has decided that this will be her last article and we would like to thank her sincerely for her dedication over the last 12 years. You are truly appreciated!

SAVE THE BEES

The effort to save honeybees across Georgia has moved to the back of cars. No, not mobile beehives, but license plates.

Linda Tillman, the GBA's president, said a lot of bees are dying off due to mosquito spray and pesticides used on the weeds they eat.

The plate sells for $25, and the Beekeepers keep $22.

She said the money raised will be used to increase education efforts about what the bee means for the produce available in grocery stores and how bees affect other aspects of life.

Pool is Ready

The pool season is approaching quickly. The pool will open for business on Monday 5/15 as "swim at your own risk."

1. We will have staff at the pool from 4:00pm – 6:00pm M-F. The week of 5/15 and the week of 5/22 for people to sign up for memberships (via the website) and get pool rules, sign waivers, and get pool codes for the gate access.
2. The summer swim team starts 5/15 and practices will be from 3:30pm to 6:00pm from 5/15 - 5/26.
3. Swim team practices will then transition to the mornings starting Tuesday 5/30 through the end of June. Lifeguards will begin Saturday 5/27 of Memorial Day weekend. We look forward to another great season and hope you join us this year!
