President's Message

Hi Neighbors!

The summer is in full swing! The pool is going great, and the water is wonderful! I recommend you check it out – it's not too late to join and be refreshed all season!

We have started the fence repairs for the courts, it appears they have been repaired before and is taking a little more effort to accomplish this task than expected. We are coordinating with a few volunteers for replacing the rest of the poles that need changed. We are continuing our efforts to make repairs and improve our community parks and facilities to enjoy well into the future.

As always please see our monthly newsletter for important dates and events happening in our community.

Please visit our official website for the latest on the neighborhood, reports, and membership and dues portals as well as upcoming events. Go to www.montclairhoa.org.

We still need to be vigilant about keeping our properties in an orderly condition, this adds to the beauty and value of our community. Please check our covenants-they can be found on our website- for yard requirements if you are not familiar with them.

The summer is here, projects are continuing and the fun abounds....let's get to it!

David
