

Montclair Curb Appeal

One of the easiest ways to enhance Montclair's curb appeal is to minimize trash pickup day, when yard waste and containers are placed on the street. Placing them out no sooner than dusk Thursday night and retrieving them Friday night helps us look our best!

President's Message

Hi neighbors!

Well, it has happened, the weather is finally warmed up and activities are in full swing! The pool cleanup day was a success, and the pool is ready to open earlier than normal thanks to all the hard work of our CPO Tommy and several volunteers. See the pool website and our official website for details of the opening and rules and swim times. Enjoy!

The restrooms at the Crane Ferry Park are complete and ready...what an addition! The restrooms were made possible by a collaboration of the Pickleball community and our community. They will be available during the day and kept locked at night.

Check our monthly newsletter for important dates and upcoming events. See our official site, www.montclairhoa.org, for current information, meetings, and access to our community covenants. If you have not paid your yearly Hoa dues, please remit – you can send a check or remit online!

Repairs and upgrades are still being done to our community parks and associated facilities as we continue to improve and upgrade our neighborhood.

Fellow neighbors, the dumpster at the pool park is for the pool park and the Crane Ferry Park trash and debris – this dumpster is not for the residents but only for our park and pool facilities! Please, if you have extra items that need to be tossed – our county trash services will pick up from the front of your houses on our regular trash pickup days.

As the weather turns warmer, please be aware of more and more of our neighbors and children on the sidewalks and the park areas – be careful and drive with awareness so everyone is out of harm's way.

The year has gotten off to a good start and there is much more to come and enjoy! I hope everyone has fun!

David

Covenant's Corner

#4 - Disordered, Unsightly, or Unkempt Conditions on All Residential Lots

Lots should be up-kept and maintained in Montclair, this generality includes any lot maintenance and removal of unsightly or unkempt conditions on the property. In addition, for the many of us that still prefer to work on our own vehicles, equipment or pursue hobbies that can impact the property, please refer to this covenant for guidance in your endeavors so our community can stay clean and beautiful.

Once a month, we will highlight one of our HOA covenants. The complete list of covenants can be found at https://montclairhoa.org/covenants-by-laws/.
