

Montclair Curb Appeal

One of the easiest ways to enhance Montclair's curb appeal is to minimize trash pickup day, when yard waste and containers are placed on the street. Placing them out no sooner than dusk Thursday night and retrieving them Friday night helps us look our best!

President's Message

Hi neighbors!

Well, the summer is finally winding down and much of the heat is passing. Our children are back in school, and the drone of school buses are in the air. Pay special attention to the kids and the buses and keep everyone safe. Now that it is a little cooler, I see more walkers and group activities, parties at the pavilion and gatherings at the parks – what a great time people are having!

We had the entrance to pool sidewalk re-done – it was slowly coming apart. We also had a trouble area for mud and water addressed at the Crane Ferry Park, it turned out great!

I'm glad to see the appearance of the neighborhood improving and hope to see more. Young families are still trying to move here and that is a sign we are still a viable neighborhood and a great place to raise a family!

Be sure to follow important dates and events in the newsletter and by going to the official site – www.montclairhoa.org. you can find a copy of the covenants for our beautiful neighborhood. Be sure to consult them if you are planning any projects. It's never too late to catch up your dues if you have fallen behind, the dues provide revenue for the upkeep of our great community.

Fall is quickly approaching, and the weather is getting cooler! Get out and enjoy the great times to come!!

David

HOA Board Announcement

The Montclair HOA Board of Governors has received some new information regarding the Carolyn Gardner Property on Washington Rd, across from Warren Baptist Church and we want to make sure we get this information to our wonderful community. "Washington Road, LLC was set to close on the Carolyn Gardner property on Wednesday, August 7, 2024. A third party has engaged a local firm to move the house and outbuildings beginning on Monday, August 12. The owner has informed us that it will take up to two months to complete the move. The house will be moved to a lot on West Road; the location of the outbuildings is still TBD. There is currently no official plan for the property other than clearing it at this time."

One of our neighborhood's most admired features is our sidewalks. As the weather changes, and more people get outside, please make every attempt to address debris, growth, and access for sidewalk use for each other. Remember, you can report uneven, broken sidewalks to the county within the Augusta 311 app/website powered by SeeClickFix.
