Trash Collection Update

As of December 15, there continues to be garbage and yard waste pickup only. Many neighbors are using the blue-lid container to dispose of additional trash, and both are being picked up as garbage.

Yard waste in containers is being picked up, while piles appear to be left for FEMA pickup.

Recycling pickup has not resumed.

NOTICE

CHANGES TO PROPERTY:

As you repair and rebuild, keep in mind the necessity to submit an Architectural Modification Request Form for any changes you wish to make that differ from the look and expression of your home prior to damage. This includes all exterior surfaces of your home, fencing, garage/carport, or large projects like sheds, patios, or decks.

The form can be found online at montclairhoa.org.

President's Message

Hi neighbors!

The community is finally starting to be cleared of much of the debris. Homes are starting to be repaired, and some yards are coming to order. We have many neighbors that are still relocated due to damage to their homes, please stay vigilant and keep an eye on their homes. Report suspicious activity to them or call the authorities. Please keep in mind while the debris from our homes is put at the curb that any construction debris mixed into the trees should be avoided. The truck crews will not pick up piles that have any kind of construction debris mixed in – including wires. They will leave those piles for the last crew to pick up many weeks from now. If you can make a pile at your house free of construction or fencing debris the trucks should pick it up.

We are still finalizing quotes for repairs to our facilities and will be getting those repaired as soon as we can. Also, I know the piles were large, the trucks can only reach so far, and I am told the homeowners are responsible to get the piles that were too far from the road pushed or moved to the curb.

I am seeing more neighborhood activities coming back to the parks and courts, people walking again, taking their pets to run and kids playing.

I know that many of our homes have had much damage, and spirits are low for many families, do what you can for your neighbor and keep the attitudes high as we continue to rebuild our beautiful community in the following many months. It is good to see that Montclair is starting to heal. We have a long way to go, but we are resilient. We will recreate the beautiful community we once had, and I believe it will be even better!

Take care!

David

We're excited to welcome Tina Slendak, our new District 7 Commissioner, to the Jan. 9th board meeting. Tina is eager to meet Montclair homeowners and residents as she begins her term. This is a great chance to connect with her and share your needs or concerns.

Streetlight Shoutout

There's a big shoutout needed for **Wes Hopkins.** There are so many things he does to serve Montclair, but most recently he's spent many hours working with Georgia Power to restore our streetlights. There are 174 lights around the neighborhood and Wes took the time to see which ones were out, report them, and follow up with conversation and additional reporting.

On behalf of the neighborhood, thank you for being a beacon of service and helping to light up the darkness once again.

To continue spreading good cheer into the New Year, please email any shoutouts or celebrations regarding happenings or neighbors in Montclair to **montclairhoa17@gmail.com.**
