President's Message

The Azaleas were able to hold off for the Masters after all! I'm looking over my computer screen and enjoying all the bees around our white Azaleas as we speak. I hope you were able to enjoy Masters Week, either by going to the course, heading out of town, or enjoying our quiet neighborhood while the crazy is going on only 3 miles away! I wanted to remind you that the Quarterly HOA meeting will be Monday April 18th at 6.00 pm at the Winding Wood Park. Please bring your chairs!

I wanted to thank David Zange, our Vice President of the Montclair Board. He has been our one stop shop for getting things fixed at our pool and parks. He is able to project manage, find suppliers, get quotes, and manage the project until it's done. He was able to oversee the fixing of the merry-go-round and the playground bridge over at the Crane Ferry Park. His latest project has been managing the replacement of all the galvanized water lines from the street to the pool and the copper pipes throughout the concession stand and bathrooms. We have been fighting water leaks for the last couple years and replacing everything with PEX piping will help support the pool for the next 60 years! David grew up in Montclair and just moved back after renovating the house he grew up in. He has a lot of great memories growing up here, and he is excited to help the next generation enjoy their childhood growing up here. David, thank you for your wisdom and support. It's a blessing working with you!

Just a reminder, we are having **a work day at the Pool Saturday, April 23rd starting at 9am.** We would love your support! We will need volunteers to help with yard work, painting, building new benches, organizing, and fixing up the bathrooms. Come join us to make the pool ready for the coming months!

Greg

Gardening IN MONTCLAIR

with Suzanne Thomas, Master Gardener

May comes in like a warm blanket. Then it progresses to hot, so it's important to get things done early in the month and early in the day. Be sure to use sunscreen, even on cloudy days, and find a wide-brimmed hat that you can keep right by the door so you won't forget to wear it every time you hit the back door. Gloves are a must for the well-dressed yard and garden lover. Enjoy the outdoors and protect yourself from sunburn.

Fertilize the lawn and shrubs this month. Start with basic 10-10-10. Use your soil test report to guide application of other supplements. If your dog, like mine, suddenly discovered that there are critters underground that would be great to dig up, consider Grub-ex or something similar. If the grubs leave, the moles leave. Then you can fill in the holes and hopefully discourage the dog from further lawn excavation.

It is an ideal time to start a vegetable and/or flower garden. It really is best to set plants directly into the soil. Last year's experiments with growing tomatoes in pots were not very successful from what I heard. In this climate, pots dry out quickly, roots die from drought—even if you water on top daily, and there is little produce to show for the effort. If you choose pots this summer, consider watering by partially submerging the pot in a 5 gallon bucket of water that will completely saturate the soil, then take it out and let it dry naturally.

If you love the idea of a garden but don't want to do it yourself, there are some beautiful gardens to visit in our area. There is a Community Garden at 134 Brainard Avenue, Augusta, GA 30905. The State Botanical Garden of Georgia is located at 2450 S Milledge Avenue, Athens, GA 30605 with a special area for children. Callaway Resort and Gardens is located at 17800 U. S. Hwy. 27, Pine Mountain, GA 31822. At Callaway, there is a butterfly house that is exquisite; the staff members hold periodic classes on special aspects of gardening. Gibbs Gardens in Ballground, GA is northwest of Atlanta off I-75; it offers some beautiful blooms and vistas in every season. This month, rhododendrons are blooming. If you plug in "GA gardens" in your browser, you will be amazed at what you find.

In addition to these, there is a celebrated volunteer garden—the Giving Farm-- close to Montclair where foods are produced for the Vineyard Church Storehouse Food Pantry, 3126 Parrish Rd, Augusta 30907. Volunteers are needed every day of the week. Your help will feed people who need help. They will be glad to have any type or level of contribution you can give.

Mark your calendar! The first Saturday morning in May the Plant Swap and Sale has returned to Pendleton King Park. Proceeds go to help maintain the Park.

PKP Plant Sale -- May 7, 9-12 noon. Be there!!

Montclair Welcomes Spring & The Masters:

Thank you to the Board Members who have worked to beautify the entrances at Washington Road and Pleasant Home Road, just in time for Spring and Masters Week. We are also looking for neighborhood volunteers to periodically help us with seasonal planting, cleanup and watering when needed. Please email the montclairhoa17@gmail.com to let us know if you are interested in helping.

SWIMMING

We are very excited for another Swim team season! Registration for the swim team will go live at the beginning of April and will be available at: https://montclair-makos.swimtopia.com/

We are looking for a head coach for this year, but already have some great new assistant coaches lined up! If you have teens that are interested in coaching this year, please let us know on your registration form or email us. We will have spots open for both assistant (paid) and junior (volunteer) positions. Applications for head coach and assistant coaches are available on Indeed.com by searching for swim coach in Augusta, GA.

Please let us know if you have questions and we look forward to seeing you at the Pool soon!

Benjamin Cariston
3201 Norris Court

William and Claudia Evans
111 Kings Chapel Road

Help us welcome new neighbors!

If you notice a new neighbor, please let us know so we can welcome them to Montclair. This also helps keep our records straight. It is very helpful to let us know if you are selling your house so we can get you the proper documents for disclosure and closing. Email the bookkeeper at montclairbookkeeper@gmail.com or contact one of the board members. We want everyone to feel welcome and informed!
