President's Message

Hi neighbors!

Winter is in full swing, and we have already had some very cold days. Bundle up and take care of yourself and your pets.

2023 was a year that saw a lot of repairs and improvements to our beautiful community. This included upkeep and maintenance to both parks and repairs to courts and the pool and a host of other projects. We also improved safety and slowed down through traffic with our patrols and speed signs.

The new year will see continued repairs to the parks and pool and new projects to add to our community will be addressed.

We have had our board elections for the end of 2023 and welcome the board to 2024! We have a new member to help with the boards continual care and upkeep of the neighborhood and bringing us into the new year. As always, check our monthly newsletter for important dates and events upcoming in our community. Please go to www.montclairhoa.org for current information, meetings and upcoming events.

As a community we have done better with upkeep of our yards during 2023. There is room for more improvement. Please become familiar with our covenants. If you do not have a copy, you can find it on our website. The covenants are there to keep our community beautiful and desirable for generations to come. You can tell if a community is thriving...when young people want to move here and have families that means it's a good place to live. Montclair has that and we need to keep it going! Let's make 2024 a great year with community spirit and camaraderie!
