

Montclair Curb Appeal

One of the easiest ways to enhance Montclair's curb appeal is to minimize trash pickup day, when yard waste and containers are placed on the street. Placing them out no sooner than dusk Thursday night and retrieving them Friday night helps us look our best!

President's Message

Hi neighbors!

We are gearing up for warm weather to come, getting the pool in condition for opening in May. Grass is getting green again and the hum of yard equipment is in the air. Pollen is in full bloom and causing many including me havoc!

The march Quarterly Resident meeting was a great success with all the guest speakers – including our mayor. Lots of good questions and participation – that was great – thank you neighbors!

Staffing jobs for the pool are being evaluated and there is still time to apply. Dues notices are out – please remit your payment if you haven't done so. You can send a check or pay online!

Check our monthly newsletter for important dates and events upcoming in our community. Also go to www.montclairhoa.org for current information, meetings and upcoming events and access to our community covenants.

We are continuing repairs and upgrades at both parks, pool and court areas. We will be having our annual pool cleanup, see the newsletter for dates. This year is moving fast and there is a lot to accomplish and lots of fun to be had. Let's get to it!

David
