

Montclair Curb Appeal

One of the easiest ways to enhance Montclair's curb appeal is to minimize trash pickup day, when yard waste and containers are placed on the street. Placing them out no sooner than dusk Thursday night and retrieving them Friday night helps us look our best!

President's Message

Hi neighbors!

Pool activities are in full swing with the swim team already practicing and the first meet on the way.

Be mindful of all the kids running around while you are driving. The swim team this year is over 100 strong! Let's all wish the swimmers much success this season! Please check our official HOA website for details of the rules and swim times.

The Not Lanta tournament was a resounding success! Thanks for all the hard work put in by Anne Rheins and all the pickle ball court volunteers – even though we had some rain, the tournament was a huge success.

Be sure to follow important dates and events in the newsletter and by going to the official site – **www.montclairhoa.org.** You can see all monthly information and copies of the covenants for our beautiful neighborhood. If you haven't paid your annual dues, please do. You can pay online or send a check.

Repairs and upgrades are continuing at our facilities.

I have mentioned before... the Dumpster at Winding Wood Park is for the pool and the Crane Ferry Park trash and debris. It is not intended for residents. The county picks up excess trash if you put it at your curb on Friday mornings.

The weather is going to get hotter, please be aware of all your outside pets! They need shelter or shade to escape the sun and plenty of clean water! The fun is beginning! Let's keep it going!
