

Montclair Curb Appeal

Friday Pickup Reminders:

Richmond County has paused recycling pickup. Please do not use your blue-lid container for trash. Any debris that can be bagged or put in containers will likely be picked up. Small piles of debris seem to be left for the debris removal crews.

#MontclairStrong

Neighbors checking on one another, sharing food, water, gasoline, hot showers, and charging stations. Neighbors sharing power tools and generators. Neighbors are working side-by-side to clear debris from the roads or rescue any trapped. This is what makes Montclair. This is why we'll bounce back even better. Instead of celebrating a yard of the month this November or December, we celebrate the spirit and heart of what it means to be a resident of this neighborhood.

Together, we say: #MONTCLAIRSTRONG

"In appreciating our neighbor, we're participating in something truly sacred."
Mr. Rogers

Monthly News & Events from your Neighborhood Home Owners Association — November 2024

President's Message

Hi neighbors!

Well, it has certainly been a trying period for our once-beautiful community. This storm has touched just about every house with varying degrees of damage from light to total losses. Many of our neighbors had to relocate to temporary lodging while their houses are being repaired or rebuilt. Please keep an eye out for suspicious activity at the houses of your neighbors that you know are temporarily relocated and report it to them or the local authorities. We do not need looters trying to steal or pillage items from our homes.

You have probably seen the damage to our parks. The Crane Ferry Park has lost the backstop and half of the fence around the courts, some damage to playground equipment, and many trees. The pool park had more damage with most of the playground equipment damaged, the baby pool damaged, lights and wiring for the pool, fencing around the pool and park, storage building at the pool and so many trees.

The Board coordinated with our good friends at Warren Baptist and other local businesses to do door to door wellness checks and to provide residents extra help for those in need – Wes represented the Board in this endeavor. The Board helped organize cleanups for both parks so we can have some play area for the kids and not be a danger to our little ones or our pets that love to run the fields. We were able to "Hot wire" the well pump at the pool and provide clean drinking water during the time the water was turned off with a loaned generator and donations of gas. A resident provided a dumpster for trash, and we also got another to help with the spoiled food and household waste disposal while the garbage service was not able to run. We have met with our insurance adjusters and are diligently tracking progress in having our claims met so we can start repairs. We are working with Ga Power for continual repairs and to get the missing streetlights replaced that were lost in the storm...this will probably take quite some time, but we are keeping track of it.

It's hard to find any good in such devastation to our community and our altered lives. Perhaps one thing I have observed that can be good is that we are getting to know our neighbors around us and throughout the neighborhood. Helping those less fortunate or harder hit. Creating friendships that we might otherwise have not had. A new feeling of being neighborly and caring about other people.

Let us all take the time to wish everyone in our neighborhood and surrounding areas the courage to keep going and rebuild – perhaps with little less trees but maybe a lot more love and community spirit.

Take care.

David

Neighborhood Events & News

Thank You Montclair!

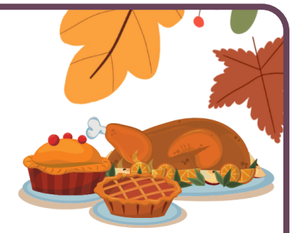

Thank you to all the neighbors who did what they could to make Montclair a great place to trick-or-treat despite all that's come our way over the past month. On behalf of everyone, thanks to those from the Pickleball community who set up at the Crane Ferry Park!

Thanksgiving Meal Needs

Our neighbors at Warren Baptist Church are ready to provide as many prepared Thanksgiving meals as are needed in Montclair. You should also have received a flyer at your home. The meals will be prepared by Wifesaver and available Wednesday, November 23. If this would be a blessing to your family, the church must know by Tuesday, November 12. Please scan the QR code or call 706.922.7031.
