President's Message

Hi Neighbors!

We come into this Fall season with more houses being finished and even more being repaired. There are still a good handful that has not been started and many neighbors still displaced. Please keep an eye out for suspicious activity and report to the homeowners or call the Sheriff office. We are a no soliciting neighborhood and there should be no door-to-door people. Please continue to lend a hand to your neighbor if you are able - as our community is still in "repair mode".

The parks are still active with children and our fury friends! Please remember to "clean up" after your pets so our children and residents do not have to "clean up".

Repairs are on going for the park equipment and some at the pool pump house facility, but for the most part, most of the damage to our facilities has been repaired. The new pavilion is alive with activity, seeing many parties and gatherings lately.

Please remember to turn in architectural changes for modifications to your homes and lots.

We are trying to keep the same feeling of the neighborhood by trying to stay with the original concept we were developed on. Some of the changes I have been seeing have been wonderful.

I feel our community is still becoming stronger with new friendships and activities between families that were not there before. We need to keep that up! The sense of "community" in our neighborhood is strong. We are rebuilding and beauty is returning!

Keep it up – its working!

Take care

David

Spotlight on Montclair

NOVEMBER SPOTLIGHT ON MONTCLAIR by Kathy Kennedy

How can your Car Keys and your Mailbox protect you from a Burglar?

There are very inexpensive ways to convince a burglar that they may be discovered whether day or night. Here are ten ideas to consider. You do not need to do every item on the list; pick one that appeals to you and build on that to deter a planned or impromptu thief who walks by:

- Motion sensor spotlight in one or more locations at upper corners near your driveway.
- Install a motion sensitive driveway alarm.
- Light timers on interior lights to light at various times and rooms
- Beware of Dog sign on your front fence, dog barking recording on a light timer when gone or adopt a dog for your family.
- Shorten your garage door emergency cord with a zip tie so it can't be fished under the door using a coat hanger.
- Avoid your name on your mailbox to deter finding your personal information.
- Keep your car keys at your bedside, press car panic button if you hear something suspicious.
- Install heavy duty locks and bolts, two per exterior door.
- Install a peep hole in your front door.
- Spotlights facing your front windows and front door to light up your house.

The last idea is the most important, and costs nothing. Reach out to meet your near neighbors. Let them know you are grateful for watching your home and yard. We all have access to the best people in Richmond County!

Finally, those who have a ring doorbell may help with an investigation or post a short video or still on our Montclair Facebook page. Alerting others protects us all. A big thank you to all who do this regularly. We are thankful for our bounty this Fall. God bless everyone.

The new pavilion is ready for you!

Have a reason to celebrate?

Gather under the pavilion at the Winding Wood Park.

HOA Board Elections

Thank you to everyone who voted for the 2026 Board of Governors. Beginning January 1, 2026, the board will include the returning members: David Zange, Greg Lacock, Wes Hopkins, Melvin La Pan, Drew Robinson, and Trey Keenan. The three new members are Ron Harden, Connor Hearon, and Evan Zange. Please be sure to thank Kathy Kennedy for her service to our neighborhood as a board member. As a reminder, the Montclair HOA website provides minutes from every meeting, including election details. montclairhoa.org

Property Maintenance: Lawns, Shrubs, Debris

Montclair has come a long way since Hurricane Helene, and together we've shown resilience as neighbors and friends. As part of continuing to rebuild, we remind each homeowner of their responsibility to maintain yards, remove debris, and keep properties in good condition. With consideration of restoration and repair, violation notices will be sent as needed.

Sidewalk and Curb Maintenance

This common-use space is one of the features of Montclair. Each property is responsible for maintaining the sidewalk space within their property line to allow pedestrian use without excess concern for overgrowth or tripping hazards. Serve your neighbor by keeping this common space clean.

November Gratitude Challenge

As Thanksgiving approaches, let's fill Montclair with visible gratitude. Take a moment to reflect on what you love about living here — the neighbors who wave, the well-kept lawns, the sense of community. If something (or someone) comes to mind, share it! Email montclairhoa17@gmail.com with a quick note about what you're thankful for in Montclair, and we'll feature a few "Moments of Gratitude" in next month's newsletter.

Here are a few simple ways to spread gratitude this month:

1. Thank You (note or nod)

Write a short thank-you note to a neighbor — maybe the one who waves daily, keeps their yard neat, or helps bring in trash cans. A handwritten note or even a chalk message on the driveway can brighten someone's day.

2. Pass the Treat

Take a small treat (cookies, banana bread, muffins, or extra Halloween candy) and leave it on a neighbor's porch with a tag like "Grateful for you — Montclair Gratitude Challenge!" Encourage them to pass it on.

3. Lend a Hand

Look for one small way to serve: rake a few leaves for an elderly neighbor, move a branch, or help bring in packages. Simple acts of service mean a lot after a long fall cleanup season.

4. Quick Porch Visit

Make one intentional visit — stop by a neighbor's porch (possibly someone you don't know well) to say hello and wish them a happy Thanksgiving. That brief hello could go a long way!
